

FAST-TRACK

You've written a book or have started to do so, but you're not sure if it's any good

IF YOU HAVE A BURNING DESIRE TO WRITE...

...You might want simply to explore your creativity or test the waters

An ideal introductory course is our four-part **Power of Writing** programme

... Or, if you're really rusty, you might want to start by brushing up your grammar...

In which case, our **Dynamic Language Course** could do the trick

... Or it could be that you've had a long-running desire to write for film or television

If so, you can gain the basic skills on our **Guide to Creative Screenwriting**

You might dream of writing a book but where do you start?

Our flagship **Creative Writing Course** schools you in the essential skills of writing fiction or non-fiction

If you want to consolidate or hone your new skill set, you could enroll on one of our...

Creative Writing Coaching Programme

If you then want to develop an idea for television or be mentored on writing a script...

You might then feel equipped to develop an outline for a movie. You could enroll on our...

Right. You're ready to start. What's next? A book? Short stories?

You'll go it alone. Like Dickens or Hemingway.

You'd like a bit of input early on in the process

You're uneasy about working absolutely alone on your first big writing project, so...

Full book report

Mini report – outline and or first 5000 words

One-off mentoring

You could join a company of active writers on our **Mentoring Programme** to write your novel, your screenplay, or your memoir

Kickstart Your Screenplay programme with the advantage of a mentor at your side offering help, criticism and encouragement. Finally, when you're ready to write the screenplay...
